

(b) *Jury trial.* There is no right to trial by jury in suits brought under the FTCA. 28 U.S.C. 2402.

(c) *Settlement.* The Attorney General of the United States, or designee, may arbitrate, compromise, or settle any action filed under the FTCA. 28 U.S.C. 2677.

(d) *Litigation support*—(1) *Who provides.* The adjudicating authority holding a claim at the time suit is filed shall be responsible for providing necessary assistance to the Department of Justice official or U.S. Attorney responsible for defending the Government's interests.

(2) *Litigation report.* A litigation report, including a legal memorandum emphasizing anticipated issues during litigation, shall be furnished to the appropriate Department of Justice official or U.S. Attorney.

(3) *Pretrial discovery.* Complete and timely responses to discovery requests are vital to the effective defense of tort litigation. Subject to existing personnel and resources available, appropriate assistance shall be provided. The Judge Advocate General should be notified promptly when special problems are encountered in providing the requested assistance.

(4) *Preservation of evidence.* Tort litigation is often accomplished over an extended period of time. Every effort shall be made to preserve files, documents, and other tangible evidence that may bear on litigation. Destruction of such evidence, even in accordance with routine operating procedures, undermines defense of a case.

§ 750.33 Damages.

(a) *Generally.* The measure of damages is determined by the law of the place where the act or omission occurred. When there is a conflict between local and applicable Federal law, the latter governs. 28 U.S.C. 1346(b).

(b) *Limitations on liability.* The United States is not liable for interest prior to judgment or for punitive damages. In a death case, if the place where the act or omission complained of occurred provides for only punitive damages, the United States will be liable in lieu thereof, for actual or compensatory damages. 28 U.S.C. 2674.

(c) *Setoff.* The United States is not obligated to pay twice for the same injury. Claimants under the FTCA may have received Government benefits or services as the result of the alleged tort. The cost of these services or benefits shall be considered in arriving at any award of damages. For example, the cost of medical or hospital services furnished at Government expense, including CHAMPUS payments, shall be considered. Additionally, benefits or services received under the Veterans Act (38 U.S.C. 101-800) must be considered. *Brooks v. United States*, 337 U.S. 49 (1949).

(d) *Suit.* Any damage award in a suit brought under the FTCA is limited to the amount claimed administratively unless based on newly discovered evidence. 28 U.S.C. 2675(b). Plaintiff must prove the increased demand is based on facts not reasonably discoverable at the time of the presentment of the claim or on intervening facts relating to the amount of the claim.

§ 750.34 Settlement and payment.

(2) *Contents.* Every settlement agreement must contain language indicating payment is in full and final settlement of the applicable claim. Each settlement agreement shall contain language indicating acceptance of the settlement amount by the claimant, or his agent or legal representative, shall be final and conclusive on the claimant, or his agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and shall constitute a complete release of any claim against the United States and against any employee of the Government whose conduct gave rise to the claim, by reason of the same subject matter. 28 CFR 14.10(b).
